

PRESIDENT: Thank you Senator Barnett. Senator Syas.

SENATOR SYAS: Just one question of Senator Barnett, and I appreciate the work that you did. But the other day when we got into a hassle, on page 1; 1, 2, 3, 4, 5, to withdraw a bill unanimous consent or majority of those voting. I wasn't allowed that the other day. That is past history now, and I could care less but....

SENATOR BARNETT: But it says under remarks there by introducer with consent of cointroducers and you wait one day.

SENATOR SYAS: Well this has already waited the one day.

SENATOR BARNETT: And it says with consent.

PRESIDENT: With consent of the cointroducers.

SENATOR SYAS: That is pretty vague that way you have even got this, it is vague.

PRESIDENT: Alright. Senator Carpenter, did you want to be recognized? Alright we are bypassing LB613 because the Fiscal Note is still lacking on that one, the Chair has been advised by Senator Whitney. That moves then on the General File consideration of 654.

CLERK: Read LB654

(end belt #8)

(start belt #9)

PRESIDENT: Chair recognizes Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body, there has been some discussion of this bill since we actually adopted the committee amendment and we are going to suggest different committee amendments and for that reason I wanted the bill to go back to the committee, I shall explain those to the committee and they in turn could either approve or reject those amendments and then we could bring it back out again. I move the adoption of the motion to return it to the public works committee.

PRESIDENT: Any further discussion of the motion? Question is shall LB654 be returned to the Public Works Committee for amendment. All those in favor vote aye, those opposed vote no. You are voting on the motion to return LB654 to the Public works committee for amendment. That motion does take 25 votes. Have you all voted? Motion still takes 25. Thank you. Clerk will record.

CLERK: 25 ayes, no nays, Mr. President.

PRESIDENT: LB654 is returned to the committee. 655 is next.

CLERK: Read LB655

PRESIDENT: Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman members of the Legislature, the main content of the committee amendment merely says that notices that are sent may be sent by first class rather than by registered mail. I move the adoption of the committee amendment.
